

Activity Details / Narrative	<div data-bbox="151 626 355 649">General Process Notes</div> <ul style="list-style-type: none"> Typically, Community Partners include private health service providers, hospitals, social and professional organizations, local and county governments, etc. <div data-bbox="151 737 510 761">1. Identify Partnerships Need or Change</div> <ul style="list-style-type: none"> The process may be triggered by an identified need for partnerships in a new program or a change in the program delivery of an existing program. <div data-bbox="151 849 402 872">2. Recruit Key Stakeholders</div> <ul style="list-style-type: none"> Community Stakeholders interested in participating as partners are contacted and recruited by the Chronic Disease Program. <div data-bbox="151 959 446 982">3. Convene Partnership Meetings</div> <ul style="list-style-type: none"> The Chronic Disease Program and the community partners advise in developing goals, objectives and desired outcomes for the programs and services implemented along with evaluation, budgets, marketing, etc. <div data-bbox="151 1115 410 1138">4. Identify Partnership Tasks</div> <ul style="list-style-type: none"> The program and partners negotiate the tasks expected and required to deliver services and programs. <div data-bbox="695 626 946 649">5. Recruit Service Providers</div> <ul style="list-style-type: none"> Community providers of services targeted by the program are contacted and recruited for program participation. <div data-bbox="695 737 859 761">6. Need Contract?</div> <ul style="list-style-type: none"> Does the Program and/or Service require a contract to be set up with local resources or partners? <div data-bbox="695 826 855 849">7. Contract Setup</div> <ul style="list-style-type: none"> A Contract or Service Agreement is developed for implementation and participation in the Chronic Disease Program or Service between the Community Partners and the Chronic Disease Program. The Contract outlines the purpose, deliverables, costs, timeframe, etc. for the Program or Service to be implemented. <div data-bbox="695 1027 874 1050">8. Accept Contract?</div> <ul style="list-style-type: none"> If the local resource accepts participation, the delivery of program/service to the community begins. If the local resource declines participation, the program iterates process to recruit a different provider. <div data-bbox="695 1183 955 1206">9. Deliver Program & Service</div> <ul style="list-style-type: none"> The Chronic Disease Program will coordinate efforts of Community Partners and individuals to implement the Program or Services in the community. <div data-bbox="1229 626 1538 649">10. Assess Partners and Providers</div> <ul style="list-style-type: none"> Local Partners or providers are monitored and the progress in delivery of the program/service is reported on a regular basis. Based upon the guidelines and outcome metrics agreed to by the program and partners, the partnership is evaluated in the appropriate areas. <div data-bbox="1229 805 1498 828">11. Continue, Modify or End?</div> <ul style="list-style-type: none"> Based upon the evaluation results, determine the next steps for the partnerships. If the partnership appears successful, the delivery of program/service to the community continues. If the partnership evaluates below the threshold of success, the program modifies the partnership operating parameters or iterates the process to recruit a different provider.
